ABOUT SCOTT MCKAIN

Creating Differentiation.

There are a myriad of choices in the marketplace for prospects and customers seeking the products and services of your industry. So, how does your organization – and the professionals who work with you – stand out from the plethora of competitors?

In his book, Create Distinction, (expanded and revised release of bestselling book, “Collapse of Distinction” – named by thirty major newspapers as one of the “Ten Best Business Books” of the year and reached the number one spot on Amazon.com’s list of business bestsellers), McKain takes a revolutionary approach by showing how organizations and individual professionals create differentiation in the marketplace.

McKain has appeared multiple times as a commentator on FOX News to discuss business, politics, and American culture. In his earlier career as a broadcast journalist, two million people saw his commentaries each week on 80 television stations in the United States, Canada, and Australia. He has also been a news anchor for a CBS-TV affiliate in one of the nation’s 25 largest markets.

McKain has been named as a “Hoosier Hero” in his home state because of his commitment to youth and philanthropy. He was selected by Arnold Schwarzenegger to be the emcee and speaker for the Great American Workout, held on the White House lawn with the President in the audience carried live on CNN and NBC's "Today" show. He also portrayed the villain in a film by internationally esteemed director Werner Herzog, acclaimed by critic Roger Ebert as one of the “best movies” ever made.

“The only speaker in the history of our company to have received a perfect score from EVERY attendee at our most important global partners event. We’ve booked the leading speakers in the world. Scott McKain received the highest ratings of all.” – Cisco
